COMMON ALTITUDE

OFFICE OF THE IMPOSSIBLE
Denver Art Fair & Exhibition
Proposed August 9–15, 2027

ORIGINAL CONCEPT GRAPHIC

Art at Denver Energy Center

The proposal combines an art market, commissioned work and free public access within an approved footprint.

A reason to visit

Artists and galleries present selected work in individual rooms.

A useful market

Buyers get appointments, work records, seller invoices and delivery support.

A public welcome

Free core art discovery and paid local creative participation.

Art in former offices

The proposed fair combines gallery rooms, artist work, workshops and buying appointments.

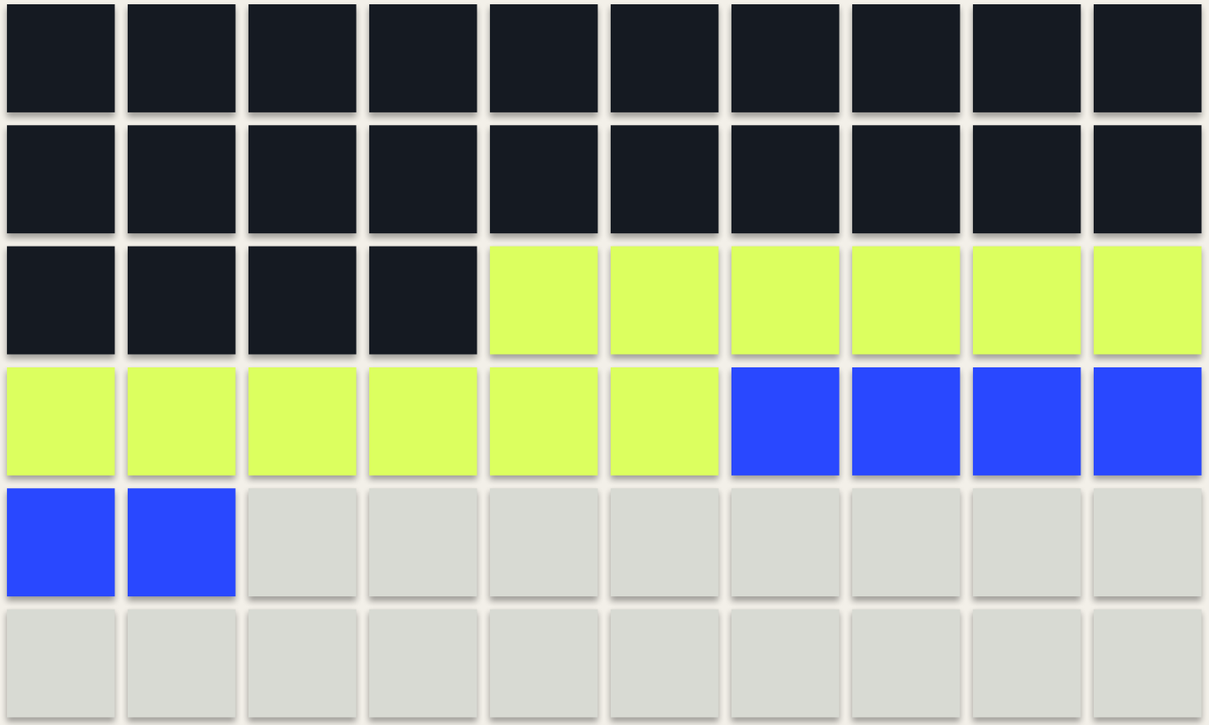

COMMON ALTITUDE is the master brand.

OFFICE OF THE IMPOSSIBLE is the proposed first-edition theme.

Artists control their work. Sellers supply accurate records and purchase terms.

Proposed allocation of 60 spaces

A site survey must establish where these 60 program functions can fit.

24 Gallery presentations

12 Direct-artist salons

6 Signature briefs

18 Learning, common and support

PROPOSED PROGRAM FUNCTIONS / SITE SURVEY PENDING

Two preview days and five public days

The proposed week runs August 9–15, 2027. The project has no venue or date booking.

MON–TUE

Orientation, advisers, press and artist/collector previews.

WED–FRI

Free art discovery, guided journeys, conversations and making.

SAT–SUN

Public and family discovery, considered purchases and a strong close.

Buyer and sales targets

Demand research must test these targets. Count visits, households and completed purchases separately.

12,000

Unique visitor target

600

Qualified collector households

150

Completed purchasing households

$3m

Completed art GMV target

Seller service and sale completion

The proposal charges zero organizer art commission. Disclose seller, gallery and external costs separately.

Selected work

Independent curation, accurate information and rights-cleared images.

Trusted sellers

Seller authority, clear invoices, condition and provenance.

Real follow-through

Appointments, delivery coordination and completion records.

Organizer revenue and costs

The core scenario uses unverified funding, fee and demand assumptions.

$1,815,000

Organizer income

$1,550,000

Cost envelope

$265,000

Before owner / tax / reserves

Proposed venue terms

The parties need to agree the space, services and profit-share basis.

Space

Waived base rent for an approved footprint and possession window.

Services

Documented incremental services with budget, responsibility and cost control.

Participation

10–20% of defined distributable event profit. Model comparison uses 15%.

Owner profit-share calculation

Sellers keep artwork proceeds. This calculation applies the proposed owner share to event cash after reserves.

$265,000	Surplus before owner, tax and reserves
$48,500	Initial pool after model cash reserves
$7,275	15% initial owner-share comparison
$15,750	Cumulative comparison after a claim-free reserve release

Rental and office-leasing support

Published plans describe rentals and retained offices. Confirm the current phase with the owner.

Destination identity

Art programming that complements the completed development.

Qualified interest

Separate opt-in residential/commercial inquiries, with agreed follow-up.

Construction protection

Use only areas the owner approves and protect construction schedules.

Discovery funding and event finance

These targets need contracts and usable cash. The deck makes no investment offer.

$75,000

Paid discovery target

$1.25m

Core cash sponsorship target

$600,000

Proposed facility/backstop ceiling

Team roles and missing specialists

The proposed founding functions cover art, product/program and brand. Hours and appointments remain open.

Executive producer

Delivery, site and agency coordination. The project needs to fill this role.

Collector + finance

Qualified buyer development and independent cash/settlement control.

Professional specialists

Code/access, registrar/logistics, technical, visitor, security and medical.

Construction and public-use requirements

Reported construction overlaps summer 2027. The owner must confirm whether any suitable area is available.

Approved use

Actual footprint, occupancy, egress, access and inspections.

Defined boundaries

Tenants, contractors, concourse ownership and possession.

Public accountability

Paid artists, access, local coordination and truthful funding claims.

Six-week discovery plan

The first decision concerns paid feasibility. Event approval follows the results.

1

Owner access, plans and responsible counterparts.

2–3

Producer/code review, market tests and scope alternatives.

4–5

Quotes, commercial terms, cash and cancellation analysis.

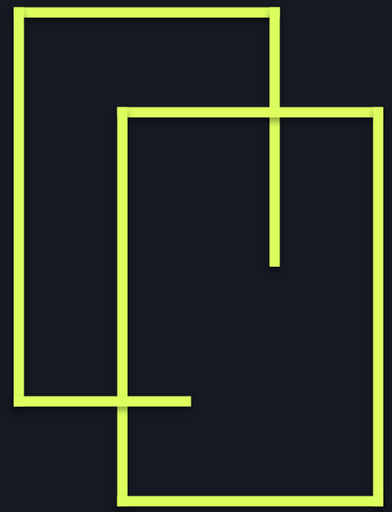

6

Joint proceed / resize / relocate / stop decision.

Discovery decision

The owner would identify a responsible contact, share plans and phasing, and agree a funded discovery scope.

- Explore an approved summer 2027 footprint.
- Test waived rent, controlled services and defined profit participation.
- Return with evidence before the owner commits to the event.

Sources and open conditions

October 24, 2026. Venue, dates, funding, partners and capacity still need confirmation.

- Owner: denverenergycenter.com
- Prior research: rental interview, construction reporting and High Fidelity event listing.
- Financial inputs and assumptions are reproducible in the document repository.
- Original concept graphics. The deck contains no third-party art or partner logos.
