COMMON ALTITUDE

A COLLECTOR CONVERSATION
Proposed Denver Art Fair & Exhibition · August 2027

ORIGINAL CONCEPT GRAPHIC

Distinctive work.
Trusted sellers.
Time to look.

The proposition is thoughtful discovery with dependable acquisition service.

- An edited set of gallery and artist presentations.
- A remarkable environment without losing clarity.
- A real human who can help you follow through.

What would make the trip worthwhile?

This is a demand conversation; the roster and work are not confirmed.

Quality

A coherent curatorial argument and work that rewards attention.

Access

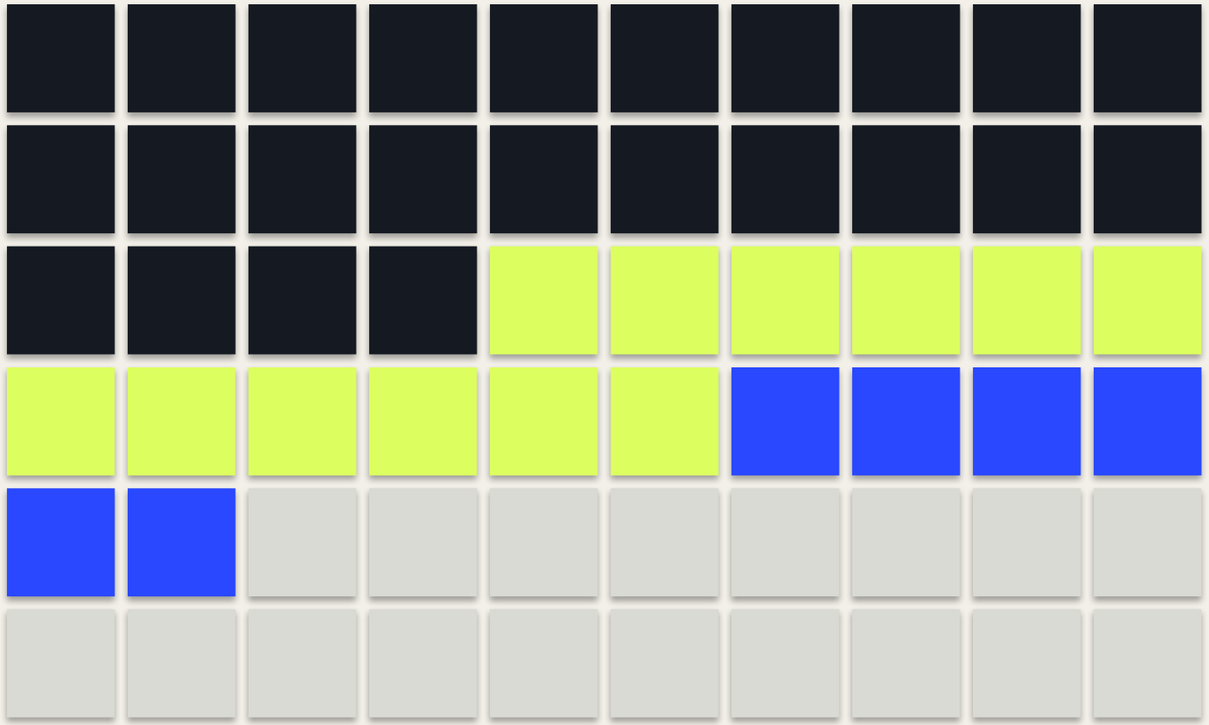

Useful artist/gallery appointments and relevant context.

Confidence

Clear information, seller authority, price and delivery.

A proposed constellation of rooms.

60 functional spaces is a planning concept, not a confirmed building plan.

24 Gallery presentation targets

12 Direct-artist salon targets

6 Artist-authored signature briefs

300 Cleared saleable record target

CONCEPTUAL FUNCTION GRID / NOT A SURVEYED FLOOR PLAN

The unexpected should have substance.

Signature concepts are uncommissioned invitations, not promised famous works.

Perception

A room that changes how you look.

Material + memory

Artist-led responses to work, place and possibility.

Public imagination

Paid local contribution and a genuine welcome.

A purchase process you can understand.

Actual seller agreements control every sale.

Before

Accurate whole-work image, size, medium, seller and current availability.

During

An informed conversation and clear full-cost seller quote/invoice.

After

Condition, receipt/title information and delivery/install support.

Your collection.
Your privacy.

Preferences and appointment details are handled with consent and controlled access.

- No sale of collector identities to sponsors or the landlord.
- Optional real-estate interest is a separate choice.
- No AI authenticity or investment-return promises.

A proposed reason to travel.

Dates and site remain unbooked; travel should wait for confirmation.

MON–TUE

Professional/collector previews and appointments.

WED–SUN

Free core art discovery and public programming.

BEYOND

Appropriate follow-up viewing and seller support.

Welcoming by design.

Serious art and public generosity belong together.

Free discovery

Core art does not require a premium guide.

Optional depth

Reserved guided experiences and workshops may be paid.

Useful help

Clear access information and a human contact.

Help shape the right offer.

We are testing actual needs rather than guessing who will buy.

Interests

Artists/media/ideas you want to encounter.

Practical needs

Time, travel, access and appointment preferences.

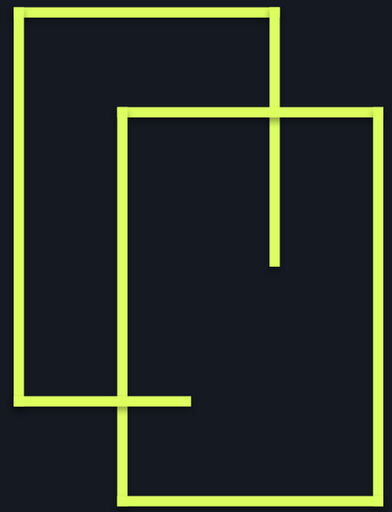

Buying support

Information and service needed for a confident decision.

Tell us what would make it worthwhile.

An expression of interest is not a reservation, purchase obligation or promised work allocation.

- Consider an appropriate discovery conversation.
- Review confirmed artists/work only after permission and availability checks.
- Make travel or purchase decisions on verified information.

A carefully labeled proposition.

No artwork inventory, celebrity appearance, venue/date or gallery partnership is guaranteed.

Official research sources and the detailed business/service plan accompany the proposal.

All displayed graphics are original concepts, not reproductions of a named artist's work.

Actual confirmed works, rights and seller terms belong in a later release catalogue.
